A. Our Pound of Pignoli Tin **\$24.95**

These delicious almond-flavored cookies are rolled in pine nuts and baked until golden brown. A perfect addition to any holiday cookie eating, this traditional taste will be a hit with family and friends. Pair it with coffee and dunk away.

B. Perfect Pizzelle Trays

It is generally believed that pizzelles originated in a middle region of Italy. In ancient times they were eaten at annual celebrations. Over time it became tradition to use pizzelles to celebrate holidays or festive occasions, especially Christmas, Easter and wedding celebrations. At Anthony's we continue the tradition offering two flavors of pizzelles, anise and chocolate. Our pizzelle trays include Italian candies.
