

June 26, 2020

Since 2018, our family business has led an effort through **Anthony's Coffee For A Cause** to support Children with Dyslexia by providing classroom accommodations, educational resources, and dyslexia awareness throughout our community. The lockdown and quarantine, over the past few months, has delayed this year's commitment to adopting a school & raising funds to improve reading literacy for all students, especially children with dyslexia. Now, as we move into the 'green stage' of the COVID-19 reopening, we are happy to announce that we are restarting our philanthropic efforts and reaffirming our commitment to support Children with Dyslexia.

Join us in Congratulating our 'adopted' school for the 2020-21 school year: **Our Lady of Hope Regional School in Blackwood, NJ**. You may recall our community coming together to help rebuild their School Library last year, after a devastating fire destroyed a significant part of their building. After rebuilding & reopening this September, they too were then hit hard by the COVID-19 crisis. Their initial reactions are now being replaced with preparedness for a different way, a new way to learn. Their resilience & determination for improvement is reminiscent of our inspiration in creating our Coffee for A Cause campaign: the struggles of a 10-year old girl determined to learn to read despite having dyslexia. Their leadership team continues to recognize the learning challenges all students now face and their commitment to improvement remains their top priority. For this, it is our honor to work together to support their mission, their students and most especially, their children with dyslexia.

**Our all-day Annual "National Coffee Day Celebration" is scheduled for Saturday, September 26<sup>th</sup>** and will serve as our official kick-off celebration & year-long fundraising effort. Throughout the year we will celebrate the traditions through hosting events to support this cause & it will culminate in May 2021, during our Annual Italian Market Festival. We look forward to celebrating with you & again please join us in Congratulating everyone at Our Lady of Hope Regional School.
